HI GANG! It's December - Thanksgiving is past and gone, the streets and the store windows of every community are glistening in their Christmas finery, and our thoughts are turned to the ideals of our Christian faith as we are reminded of the entrance of the Christ Child into the lives of men. It was good to be able to share with you in a meaningful camp period of fun and fellowship last summer, when many of those same Christian ideals became understandable and meaningful to us in the give and take of our camp activities and our life together with fellow campers and leaders. May your memories of Camp Miniwanca serve to strengthen the Christian commitment of your life.

This issue of "The Trail" comes to you as a reminder of many of last summer's experiences, and as a bit of a preview of what's in store in 1961. As you know, our registrations are filled way in advance every season. It is pretty clear now that there are no more openings left for new campers in the 1961 camp. If you have failed thus far to get in your registration and you plan to come back this next season, you'd better send it off in the very next mail, for we can only hold your place a few days longer. We want to give every one of you first crack at coming back, and we don't want you to lose out because you have put it all off until too late.

Brought to you also in this issue of "The Trail" is a list of the names and addresses of all the participants in last summer's YB Camp. We have had many requests for this kind of list, and I know that a number of you will be using the addresses to send out Christmas greetings. It's a great gang of folks whose names appear on that list, and I know you'll agree with me there. There were 191 campers, 4 camper-leaders, and 39 leaders in the Younger Boys Camp last summer, for a total of 234 people. They came from California, Colorado, Connecticut, Florida, Illinois, Indiana, Iowa, Kansas, Kentucky, Michigan, Minnesota, Missouri, Nebraska, New Hampshire, New York, North Carolina, Ohio, Pennsylvania, Tennessee, Texas, Utah, Virginia, Washington, West Virginia, Wisconsin and Cuba - a total of 25 states and one other nation were represented.

There's an exciting piece of news that I want to pass along to you right here and now, so that you can look forward with me to camp in 1961. The news is that there

is a new member of the American Youth Foundation staff, BOB WATSON. Bob is going to be the Director of our Younger Boys Camp, and already is working hard in our St. Louis office getting your registrations lined up, recruiting leaders for next summer, and doing the thousand and one things that will be necessary to make camp a happy and meaningful place next season. Bob is originally from Cleveland, Ohio. He attended college at Ohio Wesleyan University, where he was very active in sports (particularly basketball) and many student organizations and activities. After graduation, Bob went on to Yale University where he attended the Divinity School, completing his work there last spring. Bob is an old Miniwanca camper who graduated from the Older Boys Camp in 1954. He has been a leader and a faculty member in the Older Boys Camp, and this past summer, was chosen as the mentor of the large first year class in the OB Camp. Bob and his wife, Maggie, love camping (they have camped all across the western part of the United States), and will be on hand to help everyone of us get the most from the camping days next summer. Elsewhere in this copy of "The Trail" is a special word of greeting to you from Bob Watson.

There were some excellent added improvements at the Younger Boys Camp this last summer, as you will remember. It was great to have a wider and better ramp outside the Assembly building, together with a good retaining wall which keeps the badminton court clear and usable. The excellent job done on the useful and decorative rail fences around camp, and the addition of the Pre-Senior stairway, were very helpful. The biggest improvement that was made and put into full use last summer was the Sqaw Bay waterfront, which made possible far better swimming instruction and recreational activity for everyone. This year we plan to spread several loads of sand on the Sqaw Bay ice, so that when the spring thaw comes, it can sink down in place and make a firm bottom for the whole area. With this final improvement, Sqaw Bay will be one of the finest spots available for swimming and swimming instruction anywhere on the lake.

Campers and leaders alike watched with thoughtful appreciation as work progressed during YB Camp last summer on the Christian Ideals shelter, being built as a memorial to the mother of cabin leader, JOHN MURPHY, and his three Miniwanca sisters. This lovely structure, situated on the high ridge overlooking Sqaw Bay (with a beautiful view of Stony Lake), was designed by John Murphy, and his plans were wonderfully carried out by the builders. A full use of the structure will be made this coming summer, and it will be there that much of our Christian Ideals instructions will take place.

What wonderful memories flood through our minds as we recall Miniwanca YB 1960. The swimming and sailing, the aquatic meet, Paul Bunyan Day, tribal games and yells, the candlelight sing, the athletic meet, vespers at sunset, the 4th of July, the Doers' hike in the torrential downpour, meaningful Sunday services on Chapel Dune, County Fair Day, low council, Christian living classes, the "Lucky" club, cabin group overnights, friendly council, grand council, and the exciting moment when the Dunes Dispatch announced the tribal standings, together with the wonderful evening when the results of tribal competition were made known and every camper received his recognition for achievement made during camp. These and all the other things add up together to a great summer. The campers, leaders and friends who pass by in memory, are continuing companions in meaningful, fourfold growth, and effective Christian living.

And now let me take this opportunity to wish you on behalf of the American Youth Foundation and the whole Miniwanca staff, a Merry Christmas and a Happy New Year, and may the spirit of the Christmas season speak to you more deeply than ever, and may you receive the spirit of the Christ ever more fully in your own growing life.

Sincerely yours,

Bob

Robert Steiger, Director

GREETINGS TO ALL Y. B. CAMPERS!

In a way we already know each other, for right off we've got a common loyalty - MINIWANCA! All of us agree that Miniwanca holds a special place in our hearts and thought.

I readily admit that Miniwanca has been one of the most important influences in my life. My experience there has been important for me, not just for the good times, though those can't be topped anywhere, but for the things I've learned in cabin groups, in classes, in vespers. Those Miniwanca learnings have stayed with me all through school and college. Does Miniwanca mean the same to you?

Already we are knee deep in plans and preparations for the 1961 Younger Boys Camp. From all I've heard and seen, you surely had a fine camp in 1960; and we plan to make it even better in '61!

I've had much fun reading and hearing about all you did last summer - your cook-outs, your political convention (by the way, Lyndon Johnson's right up there, isn't he?), your Paul Bunyan Day. And I confess, ideas have been popping into my mind about what we can do together next summer! I'll be sharing those ideas and plans with you in the spring issue of "The Trail".

I'm anxious to meet each of you, and look forward to June 21 when you'll be coming Miniwanca-way from all directions. Any questions you have, stories or problems you'd like to share, don't hesitate to shoot them on to me here in St. Louis.

Have a pleasant and meaningful holiday season, and keep your eye on the target of JUNE 21, an important day for all of us!

Sincerely yours,

Bob Watson

Bob Watson,
Associate Director

Notice of a change of address for Douglas Mitchell has come since the following roster was printed. Therefore, change the address as it appears in the later pages to read:

As this is being written, the saddening news has come of the death in an auto accident of CHRIS CLAYTON, oldest daughter of DON CLAYTON, sister to Dave and Mary. Chris was on her way home from college for the Thanksgiving holidays with four other students when the accident occurred. Three other young people were killed in the crash. We share with the Claytons in a deep sense of loss. Chris was a member of our camp workstaff, one of the real leaders of that fine group this past summer.
